## Yahrzeit and Yizkor

Yizkor is an opportunity for us to intensely re-create the connections that once existed between ourselves and departed loved ones. We encourage the entire congregation to attend Yizkor services to honor these memories. So that HaMakom may honor and remember your loved ones during Yizkor service, **please complete this form**. All names received here will be read during the Yizkor afternoon memorial service on October 5. It is customary to offer *tzedakah* in memory of loved ones, connecting them with our living mitzvot. Suggested donation is \$18/name.
